Air, Water, Fire is a series of work done in close collaboration with Zhengzhou Huang, who is also a new media artist and a UCLA Design Media Arts MFA alumni.

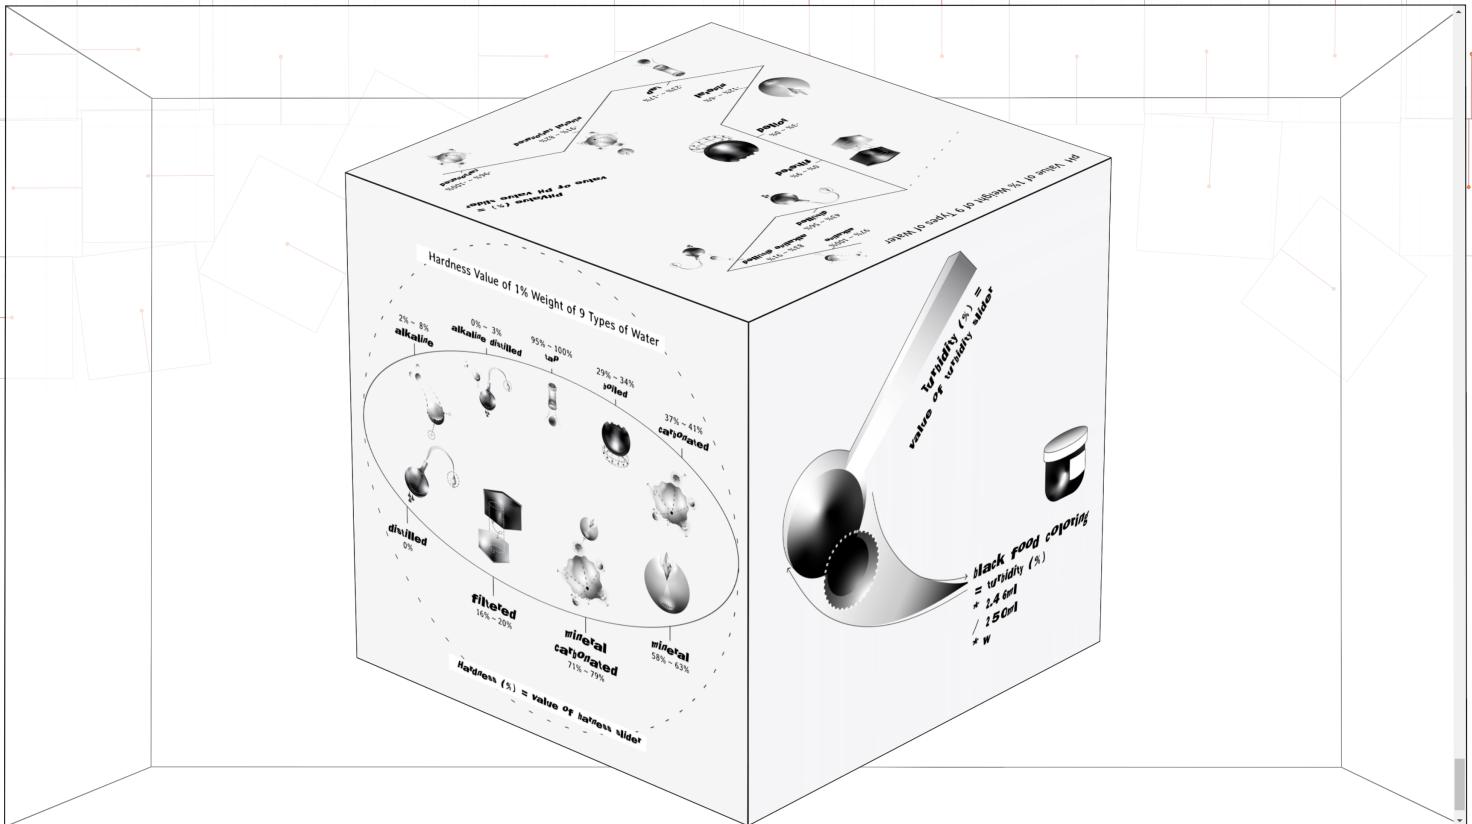

Each of us work closely on every aspect of the series including interface design, web development, graphic design, video making, 3D playable demo, as well as speculative concept-building.

Water

Water is an unstable data structure with which you store, share and delete your data.

Let me introduce you to the full set of equipment and tools we use for the data transfer process.

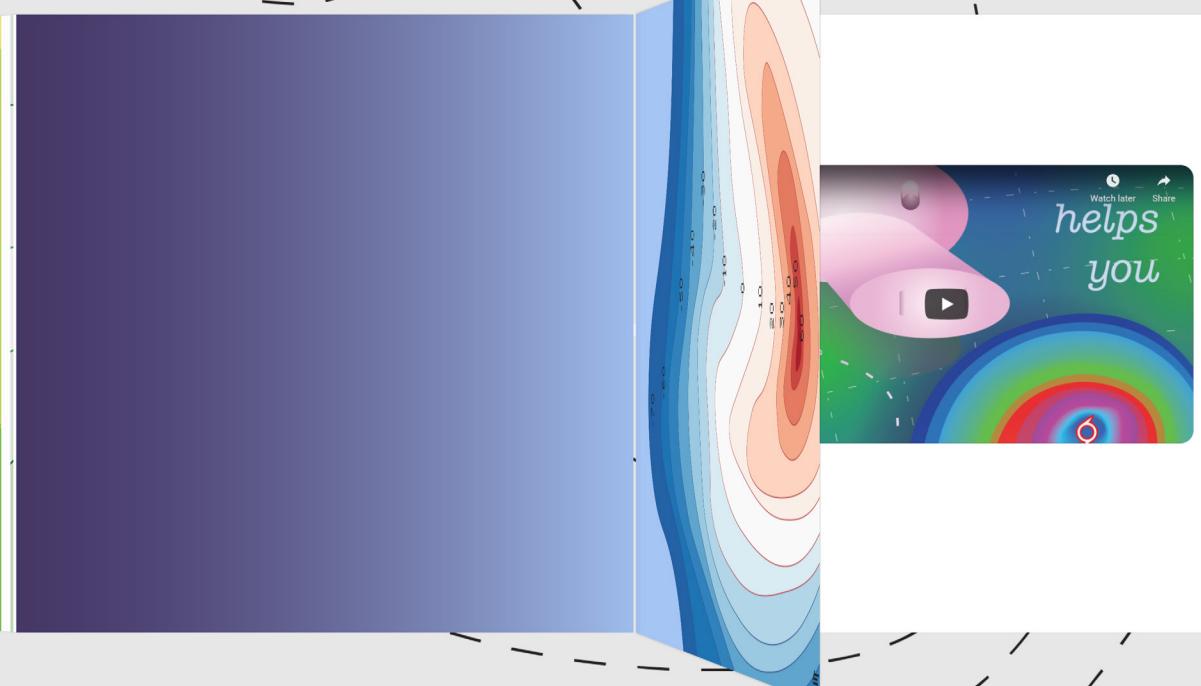

AIR is a smart home device who
helps you grasp your quantified
surroundings you're not able to
sense.

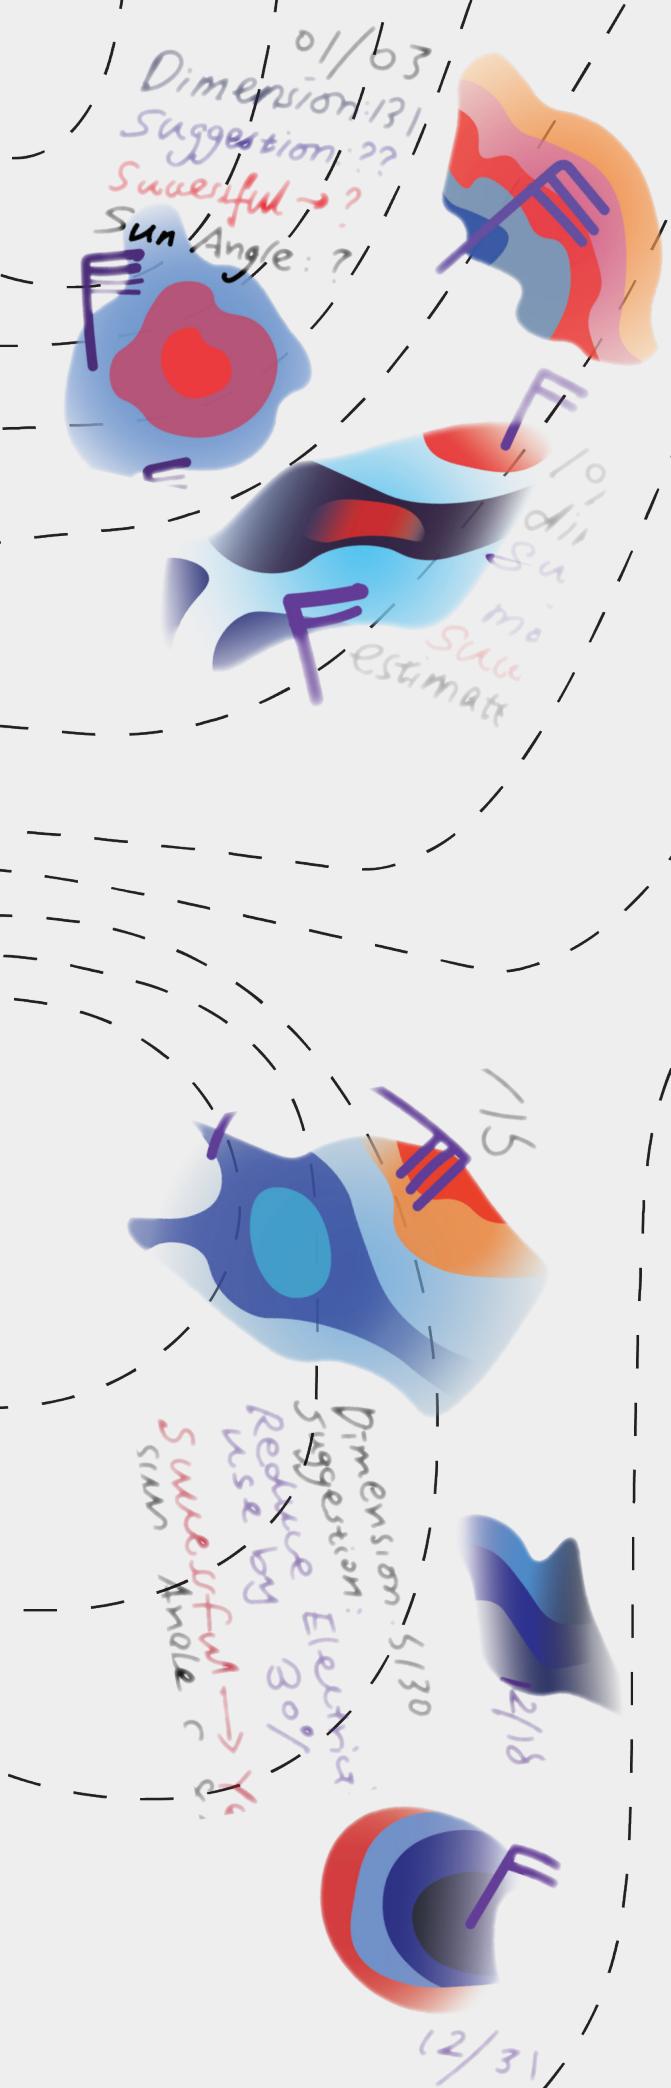

Go through the booklet to get
you started with AIR.
